

All patients and their caregivers need to be aware that it is the policy of Digestive Healthcare Endoscopy Center that our facility does not honor advance directives (allow natural death). This was decided by our governing body. However, a facility that does honor advance directives can be made available to the patient without prejudice from Digestive Healthcare.

Please circle whichever may apply:

Do you have an advance directive?

Yes No

If yes, do you plan to bring in a copy?

Yes No

If you do not have an advance directive would you like to execute one?

Yes No

If yes, would you like a copy?

Yes No

I acknowledge that I have received written and verbal notification of physician ownership of this facility, and written copies of patient rights and responsibilities and advance directive paperwork prior to my procedure.
