

To Our Patients:

Due to H.B. 416 Consumer Information and Awareness Act, we want to advise you our patient of the types of caregivers that will be providing you care.

Physicians provide care at all seven office locations and Digestive Healthcare of Georgia Endoscopy Centers, Summit Endoscopy Center, Piedmont Atlanta Hospital, Piedmont Mountainside Hospital and Piedmont Fayetteville Hospital.

Nurse Practitioners provide care at Atlanta offices, Jasper office, Fayetteville office, Newnan office, Blue Ridge office and Ellijay office.

Physician Assistants provide care at the Atlanta offices and at Piedmont Hospital Atlanta.

Certified Medical Assistants, Licensed Practical Nurses and Registered Nurses provide care at all offices locations.

Anesthesiologist and Certified Registered Nurse Anesthetists provide care at both Digestive Healthcare of Georgia Endoscopy Centers in Jasper and Atlanta Ga and Summit Endoscopy Center.

As a patient it is your right to inquire about a practitioner's license at any location.

Endoscopy labs in all locations Summit, Atlanta, and Jasper have GI Technicians, registered nurses and scope maintenance technicians.
